

THANK YOU 2015 Idaho State Forestry Contest VOLUNTEERS & DONORS!

The 2015 Idaho State Forestry Contest was a huge undertaking and the contest steering committee would like to gratefully acknowledge all the people and organizations who served as the backbone of the contest. This year, more than 165 volunteers helped set up courses, register teams, chaperone contestants, run contest stations, score the tests, prepare a BBQ lunch for 700, and clean up the whole thing afterward. Numerous other people and organizations donated funds, goods, or services. Listed below are the donors of cash, goods or services, and a list of the regular employers of contest volunteers. The top four cash donors are listed first; the rest are listed alphabetically. Donors of goods and services are not listed in a particular order. The first five volunteers' organizations provided ten or more volunteers each and the number is given; all other volunteer groups are listed alphabetically.

THANK YOU ALL - the Idaho State Forestry Contest could not happen without your help!

Cash Donors

David Ritz Memorial (Ritz Family)
Larry Fryberg Memorial
Idaho Soil & Water Conservation Commission
Natural Resources Conservation Service

Donors of Goods or Services

Coeur d'Alene Tractor
Intermountain Logging Conference
